

WALK IN SHOWERS

WALK IN BATHS

WET ROOMS

assisted living 

bathe in confidence

I am so pleased with my new walk-in shower! I chose the Abbey, as it is safe but so stylish and modern, just what I was looking for. Thank you, Assisted Living, for giving me a bathroom I can now enjoy using. It was great to see the 3D visual of my new bathroom, but it is even better in real life!

**Mrs Richmond
North Yorkshire**

Bathe in confidence

Welcome to Assisted Living.

Our aim is to offer a comprehensive range of mobility bathing solutions to improve quality of life. We provide high quality walk in showers, baths and wet rooms so you can bathe in confidence.

BATHE IN CONFIDENCE

Why choose assisted living

Whatever your needs, we will provide the most cost effective solution to allow you to bathe in confidence

Free no obligation quotation

We offer a free personalised no obligation quotation tailored to your individual needs and mobility levels

Free personalised design visual

Design visuals to help bring your new bathing solution to life and assist you with your decision

How we work

● Real support from real people

From initial enquiry through to completion you have a dedicated team of specialists at your fingertips. Our friendly and knowledgeable team are on hand to assist you at every step.

● Book an appointment

Contact our client services team to book your free personalised design appointment on a date and time convenient for you, all in the comfort of your own home.

● Technical survey

Our technical surveyor will discuss your requirements and offer honest & practical advice.

● 3D design visual

You will be presented with a 3D design visual of your new bathing solution and a no obligation quotation tailored to your exact requirements, specification and most importantly budget.

● Order placed

If you wish to proceed with your quotation our dedicated Client Services team will contact you with an installation date, payment schedule and your order will be placed.

● Installation within 6 weeks

We pride ourselves on offering our customer's installation within 6 weeks from date of order.

● Quality check

Upon completion of your installation our in house fitting team will complete a Quality Check to make sure you are 100% happy with your new bathing solution.

● Aftercare requirements

Our team are available to assist with any post installation queries you may have. All of our products come with an approved manufacturers warranty and 12 month parts / labour warranty

● Experience

All that is left is for you to enjoy a relaxing bathing experience with complete peace of mind.

"I would highly recommend the service from Assisted Living to anybody who is looking for a bathing adaptation to make life that little bit easier! I chose the Bronte shower package and it was amazing to see my new bathroom come to fruition, and I can now safely enjoy bathing with complete peace of mind. Thank you, Assisted Living team, you have changed my life!"

Mr Pye
East Yorkshire

Bronte

Our entry level Walk in Shower.

Our slip resistant low entry shower package comes in a variety of configurations, with half height or full height screen options. Designed with the end user in mind, the Bronte comes in a variety of tray sizes, a clean and stylish white or grey trim with frosted or clear safety glass.

We also offer a generous selection of screen and door configurations, that are designed to complement any bathroom and to suit all levels of mobility. All that is left is for you to enjoy a relaxing bathing experience with complete peace of mind.

Complete peace of mind

- **Low profile shower tray**
Ideal for low level access

- **Shower screen**
Extremely practical & stylish

- **Shower seat**
Rust-proof aluminium

- **Grab rails**
Premium UPVC for durability

- **Wall panelling**
Contemporary design range

- **Mixer shower**
A safe & enjoyable experience

WALK IN SHOWERS

Slip resistant flooring

Functional designs limit the risk of falls and accidents, whilst reducing the build up of bacteria

Low-level easy access

Low-level threshold allowing the user to get in and out with no large steps or need for exaggerated movement

Grab rails & handles

Designed to provide a strong grip even when your hands are wet - a great way to ensure your shower is safe

Did you know?

The majority of our customers will be VAT exempt. This means that you will not have to pay VAT if you are having a new bathroom installed, extended, or adapted if the work is being done to help you because of your mobility concerns.

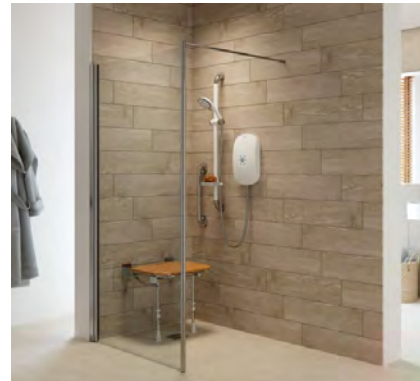

Harewood

Ideal for those with limited mobility.

A stylish, single wall-mounted glass screen that can be used with a variety of low entry trays. Simple single panel glass screen, which is also available with a deflector panel for water retention.

For increased safety and peace of mind, the screens included within our Harewood package are all 6mm toughened glass and with the added benefit of an optional floor to ceiling grab pole for additional support whilst bathing.

WALK IN SHOWERS

Shower seats & shower chairs

From folding seats to wheeled chairs, all of our chairs are Occupational Therapist approved

Ideal for wheelchair access

Our walk in showers are available with a no-door option - ideal if you are a wheelchair user

Easy temperature control

Our range includes the thermostatically controlled showers providing a safe and comfortable bathing

Complete peace of mind

● Low profile shower tray

Slip-resistant surface

● Shower screen

Simple single panel glass screen

● Shower seat

Variety of fold-up seats

● Grab rails

High grade stainless steel

● Wall panelling

Contemporary design range

● Mixer shower

“First class service from start to finish. Cheryl took us through the whole process. We had a home visit and taken through the best options to work with my mobility limitations. The install team were friendly, did a great job, and didn’t drink too much tea! I would highly recommend Assisted Living – my new bathroom has made my home life so much easier and safer.”

**Mrs Nicholls
